

ADELAIDE OUTREACH PROGRAMS

Introduction to the 5 Major Psychoanalytic Theorists

Dr. Robin Chester & Dr. Shanthi Saha

THEORETICAL & CLINICAL SEMINARS

These seminars are to introduce 5 major psychoanalytic theorists:

- ◆ Sigmund **Freud**
- ◆ Donald **Winnicott**
- ◆ Melanie **Klein**
- ◆ Wilfred **Bion**
- ◆ Jacques **Lacan**

These seminars are a gentle introduction to psychoanalytic theories. They would be particularly helpful to psychiatry trainees for the psychotherapy written case. The first hour is a theory seminar led by Dr. Robin Chester, followed by a half hour psychodynamic case formulation of a clinical case brought by participants, led by Dr. Shanthi Saha.
